

### DRWF Clinical Open Funding 2014

**The Diabetes Research & Wellness Foundation invites the submission of research projects and proposals requiring funding in the field of diabetes.**

Types of application currently considered suitable (with a budget of up to £20,000) would be:

- **Research Projects** - clinical, of one year's duration (though extensions may be considered);
- Investigators looking to achieve translational clinical pilot study data
- **Exchange Fellowships** (especially between the UK and the USA).

Applications must be received on or before **Friday, 23 August 2013**. The charity's Research Advisory Board meets in November. Applicants will be notified end of November/early December and, if successful, expected to take up the grants early in 2014.

---

**Applications** should be a maximum 4 sides A4, single line spaced with an 11 or 12 point, clearly readable, font. They should include (as appropriate):

Page 1

- Applicant's name, qualifications, present post and contact details;
- Name and address of the Institution(s) where the work will be carried out, Head of Department/ Institution and major participants in the project;
- Signed verification of funding application by Head of Department and department/institution authorities stating "I confirm that this application has been read and that, if granted, the work will be accommodated and administered in the department/institution";

Page 2

- Outline of the proposed research comprising Title, Research question, Relevance to diabetes;

Page 3

- Lay summary, Methodology, Expected outcome;

Page 4

- Any additional information to support the application (references can be included);
- Amount requested, with a general breakdown of costs;

**PLUS:** Separate single sheet of A4: (Brief) Curriculum Vitae of main applicant

11 (eleven) hardcopies are required and an electronic copy should be sent as a single **word** document.

**Applications or enquiries should be directed to:**
